I am pleased to announce that we have appointed Bell & McCoy as our Legrand representative in the greater Houston market. For the past seventeen years Bell & McCoy has been our Cablofil representative in this market and will now be responsible for Wiremold, Pass & Seymour and OnQ.

Bell & McCoy was established in 1972 and, with over 195 employees, has become known as one of the largest agencies in the country. Bell & McCoy Companies covers the six states of Texas, Oklahoma, Louisiana, Arkansas, Mississippi and Western Tennessee. The manufacturers that they represent are sold through distribution and they are focused on the commercial, residential, industrial and municipality markets. Their time is spent working with distributors, electrical contractors, engineers, architects, lighting designers, general contractors, etc. to educate and influence products in the market.

Bell & McCoy will be announcing significant additions in personnel to manage the Legrand line. The existing Bell & McCoy sales team, along with these new additions, will work closely with the Legrand team to support the needs of our customers.
