BELL & MCCOY LIGHTING AND CONTROLS OPENS NEW OFFICE IN TULSA

Bell & McCoy Companies announces the opening of a new Lighting and Controls office in Tulsa, Oklahoma. This new location will allow us to better serve Tulsa customers and shows our commitment to the Tulsa market. We have added two people to our inside team to support this new office. It has been an exciting time for the Oklahoma division since opening in 2012, and this addition will help pave the way to their continued success.

About Bell & McCoy Companies

Bell & McCoy was established in 1972 and, with over 240 employees, we have become known as one of the largest agencies in the country. We cover the six states of Texas, Oklahoma, Louisiana, Arkansas, Mississippi and Western Tennessee. The manufacturers that we represent are sold through distribution and we are focused on the commercial, residential, industrial and municipality markets. Our time is spent working with distributors, electrical contractors, engineers, architects, lighting designers, general contractors, etc. to educate and influence our products in the market.
